About your statement: If you have any questions about your statement or would like a full explanation of any transactions on it, please call us anytime on 03 456 100 100. Interest: Credit Interest is calculated daily on the cleared credit balance where applicable. Please see individual account Terms and Conditions for details of when interest is paid into the account. We will calculate debit interest daily on the cleared end of day debit balance on your account and deduct it from your account monthly. We will charge interest on your whole overdraft balance above any interest free amount. The letter D after a balance indicates an overdrawn balance. From 14 March 2020 Monthly cap on unarranged overdraft charges - Each current account sets a monthly maximum charge for: - going overdrawn when you have not arranged an overdraft; or - going over/past your arranged overdraft limit (if you have one). - This cap covers any: - interest and fees for going over/past your arranged overdraft limit; - fees for each payment your bank allows despite lack of funds; and - fees for each payment your bank refuses due to lack of funds. The monthly cap on unarranged overdraft charges for the 1st Account is £20. For 1st Accounts linked to Offset Mortgage accounts, interest on debit balances up to the arranged limit is calculated daily and charged monthly at the same rate as your Offset Mortgage. Using your debit cards outside the UK When you use your card outside the UK, your statement will show where the transaction took place, the amount spent in foreign currency and the amount converted into sterling. We also monitor transactions to protect you against your card being used fraudulently. Unless you agree that the currency conversion is done at the point of sale or withdrawal and agree the rate at that time, for example with the shopkeeper or on the self-service machine screen, the exchange rate that applies to any debit card payments in a foreign currency (including cash withdrawals) is the Mastercard payment scheme exchange rate applying on the day the conversion is made.	Details of the current Mastercard payment scheme exchange rate can be obtained by calling us on 03 456 100 100 Text-phone 03 456 100 147. We will deduct the payment from your account once we receive details of the payment from the card scheme, at the latest, the next working day. Some cash machine operators may apply a direct charge for withdrawals from their cash machines and this will be advised on screen at the time of withdrawal. Recurring Transaction A recurring transaction, sometimes called a continuous payment authority, is a series of payments collected with your agreement from your card by a retailer or supplier (for example, insurance cover). This is an agreement between you and the retailer. The Direct Debit Guarantee does not cover these transactions. If you wish to cancel a recurring transaction you can do this with the retailer or us. We can cancel the payment, however contacting the retailer allows you to also deal with the agreement you have with them and you can make other arrangements for the payment or cancellation of the goods or services. If you cancel with the retailer, we recommend you keep evidence of the cancellation. Once you have cancelled with the retailer or us, if the retailer does try to collect any future payments under the recurring transaction agreement, we will treat these as unauthorised. If we miss any of the cancelled transactions, please contact us. Dispute resolution: If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you will not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman. If you'd like this statement in another format e.g. large print, Braille or audio, please give us a call.
